TREVOR enters the Mackenzie Administration building. He walks slowly through the halls before rounding the corner to an office door. He knocks

MRS. KOSSOFF (OFF SCREEN)

Come in

Trevor enters. MRS. KOSSOFF sits at her desk, facing away from Trevor, stirring a cup of coffee on her desk

TREVOR

Mrs. Kossoff, I got your email. Is everything okay?

Mrs. Kossoff is unmoved. The stirring continues

MRS. KOSSOFF

Yes-

She finishes her stirring and clinks the teaspoon on the side of her mug

MRS. KOSSOFF (CONT'D)

But things can always be better

Trevor cocks his head to the side, raising a brow. Kossoff extends her arm, gesturing for Trevor to take a seat. He sits. She points to a picture of the 18/19 StuCo

MRS. KOSSOFF (CONT'D)

Do you remember when this picture was taken?

Trevor offers a single, sad chuckle as he runs his sweaty palms along his thigh: a nervous gesture

TREVOR

(smiling)

Oh I remember

MRS. KOSSOFF

(sighing)

So full of promise, all nine of you. The President. Vice President of Honor, Academics, Social Life-

TREVOR

That was a long time ago

Trevor struggles to clear his throat as he says

TREVOR (CONT'D)
I haven't heard from them in
months. Not since- the incident

MRS. KOSSOFF
Whatever it is, you're gonna have
to put your differences aside

Mrs. Kossoff leans back from the table. Trevor shuffles in
his seat

MRS. KOSSOFF (CONT'D)
The first school meeting of the
year is tonight, and I need a
Student Council.

Nodding, Mrs. Kossoff takes another sip of coffee. Trevor
looks unnerved, his eyes darting across the floor of the
room.

TREVOR
Mrs. Kossoff, I don't know if this
is a good idea

MRS. KOSSOFF
Trevor...

Mrs. Kossoff leans over, resting her arms on the desk between
them.

MRS. KOSSOFF (CONT'D)
You have what it takes to make this
a great year for our school

Trevor nods. Mrs. Kossoff gestures with her hands as she
continues

MRS. KOSSOFF (CONT'D)
But if you and the other members
learned how to work together...

Mrs. Kossoff clasps her hands together

MRS. KOSSOFF (CONT'D)
This year will be-

She looks up with a smirk

MRS. KOSSOFF (CONT'D)
Incredible

INT. HARKNESS ROOM - DAY

2

TASH, EDWARD, and KAYLA, other members of the StuCo, sit around a Harkness table eating Chinese food. Trevor sits on a counter beside the table, legs swinging, eating a spring roll

TREVOR

Could someone pass me the soy
sauce?

Nobody budes from their activity. Trevor looks up and around at his classmates. He decides to give it a beat... and then try it again

TREVOR (CONT'D)

Could someone pass me the-

KAYLA

Why'd you call us here, Trevor?

EDWARD

They said you met with Kossoff...

TASH

Is it true?

Trevor finally looks up from his food.

TREVOR

She wanted to bring back StuCo. But
don't worry

Trevor raises his hand as if to ward off the questions to come.

TREVOR (CONT'D)

I already told her it's not gonna
happen

EVERYONE (W/O TREV)

(in unison)

You did *what*?

EDWARD

What the *heck*, Trevor?!

TREVOR

Wait a second, I thought you guys
were over this student council
thing

KAYLA

How could you think we would ever
abandon Stuco?

Tash slams her fist on the Harkness table

TASH
(macho man tone)
It defines who I am...

Edward, Kayla, and Trevor slowly turn their heads to Tash.

TASH (CONT'D)
Sorry...

Shaking his head, Trevor is the first to speak up

TREVOR
But what about- the incident?

EDWARD
Incident? Buddy, what're you
talking about?

TREVOR
I thought you guys were still mad
at me about- Nevermind

TASH
Well. Can you tell Kossoff that we
changed our minds?

TREVOR
I'll talk to her, but that doesn't
change the fact that we're still
missing five members

EDWARD
Who are we missing?

3 INT. LARGE FORUM - EVENING

3

TREVOR (V.O.)
Shaezmina Khan, diversity rep.
Currently delivering a keynote
address to the United Nations in
Geneva.

SHAEZMINA, dressed like a classy business aficionado, struts
across the center of a large forum with notecards in hand as
she delivers a speech to government officials (will find
footage online)

4 EXT. FARM - DAY

4

TREVOR (V.O.)
 Dev Chokhra, community service.
 Went to Ireland on a service
 learning trip back in June.
 Nobody's heard from him since.

DEV, working barefoot, toils in the fields of a farmland. He digs a small hole, and plants a seed in the soil. He wipes the sweat from his brow and casts his gaze across the horizon contemplatively

5 INT. BASEMENT OF THE LAWRENCEVILLE SCHOOL'S HISTORIC POP HALL
- NIGHT

TREVOR (V.O.)
 Toby Ilogu, arts. Working on a new
 film. He's locked himself in Pop
 basement, but he swears it'll be
 his best work yet

With snacks strewn across his workspace and clothes on the floor, TOBY sits behind an iMac clicking and clacking on the mouse and keyboard as he edits a video. He looks up and out the window, seeing Trevor. Toby goes to the window, squinting menacingly at his former colleague, and slowly lowers the window's blinds

6 EXT. ROAD SIDE

6

TREVOR (V.O.)
 Harriet Wiser, sustainability.
 Devoted herself to combatting
 littering across the tri-state
 area, and will not return to campus
 before she achieves her goal

HARRIET walks along the side of the road, picking up trash. A CAR zooms by tossing out a WATA bottle, doinking Harriet in the head. She picks it up and chases the car down the road.

7 INT. HARKNESS ROOM - DAY

7

TREVOR
 Then there's Kwesi Adu-Diawuo, our
 athletics rep

KAYLA
 Where is he?

TREVOR
He had football practice

EDWARD
So what now?

TREVOR
Well, if we're all in agreement, I
think it's about time we assemble
the team

TREVOR (V.O.)
 Kwesi... Student council needs you.
 With this note, you will find a t-
 shirt, and mask. Meet us at H Q 10
 minutes before Smeeting. See you
 soon. Your school president, Trevor
 White

Kwesi squints at the note, and dangles the mask from one
 finger, looking around for where his t-shirt may be. He
 fumbles around on his sheets frantically before calling out

KWESI
 Honey!

FEMALE VOICE (OFF SCREEN)
 What?

KWESI
 Where's my StuCo shirt?

FEMALE VOICE (OFF SCREEN)
 What?

KWESI
 Where *is* my StuCo shirt?!

FEMALE VOICE (OFF SCREEN)
 I. Uh. Put it away

Kwesi begins opening and closing his drawers.

KWESI
 Where?

FEMALE VOICE
 Why do you need to know?

KWESI
 I need it! It's for the greater
 good!

FEMALE VOICE
 Greater good? Boy, you better not
 use that tone with me. I am the
 greatest good you are ever gonna
 get

Shaezmina, Dev, Toby, and Harriet join Trevor, Edward, Tash,
 and Kayla in the Mackenzie lobby.

Everyone is dressed in their t-shirts with their masks hanging around their necks or on their foreheads

TREVOR

It's almost time. Where's Kwesi?

Kwesi walks into frame.

KWESI

Sorry. I couldn't find the shirt

TREVOR

It's fine. We have extras

Trevor tosses him a t-shirt

TREVOR (CONT'D)

Alright guys, bring it in

They join in a group huddle.

TREVOR (CONT'D)

Now before we head out there, I just wanna say that... We may have our differences, but in these differences lie our greatest strengths. Being here, going all in... If we do these things, there's not a doubt in my heart that this year will be

TREVOR (CONT'D)

Incredible
